1. **SETTING THE STAGE**

We will debrief Day One and ensure expectations are properly aligned for Day Two.

We will revisit the work from Day One and make adjustments as appropriate.

3. **IDENTIFYING COUNCIL PRIORITIES**

Council will have an opportunity to share individual priorities that are not already being addressed through the workplan the City Manager has shared. We will then go through a process to identify shared priorities of the governing body.

4. **NEXT STEPS**

The City Manager will share with the Council what you can expect – and when – as he works with the Staff to develop workplans that align with the updated aspirations.

5. **CLOSING/ADJOURN**

As the day comes to a close, each participant will be asked to share a reflection about the work done during the retreat.
