

City of Minot

Neighborhood Meeting

Monday, June 23, 2025, at 5:30 PM

Minot City Transit Center (205 1st Street SW)

Any person needing special accommodation for the meeting is requested to notify the City Clerk's office at 857-4752.

A quorum of the City Council was not present at the Watermain Replacement Neighborhood meeting. In attendance was Alderman Fuller, Alderman Samuelson, and Acting Mayor Jantzer. The meeting began at 5:30 pm. Tom Joyce, the Assistant City Manager, made brief introductions of staff and spoke about the vision and aspirations of the City of Minot. Bryan Banfill, the Public Works Operations Director, spoke briefly about the Transit Department then introduced Brian Horinka and Nicole Robinson. Brian provided information about Trip Spark, which is the new transit tracking software, along with providing a demonstration of the live software. Nicole Robinson, the new Mobility Manager, spoke about the paratransit application and eligibility process. Souris Basin Transit was also available to speak about their upcoming changes and help answer any questions about the services they provide. The full presentation is available on the www.minotnd.gov website under the agenda center.

The meeting ended at 6:40 pm. There was no official business conducted at this meeting.
