

Engineering Project Tour

Monday, July 14, 2025, at 9:00 AM

City of Minot Public Works (1025 31st St SE)

Any person needing special accommodation for the meeting is requested to notify the City Clerk's office at 857-4752.

1. ENGINEERING PROJECT TOUR

A quorum of the council is expected to attend the Engineering Project Tour. The tour will start at 9:00 am at Public Works. Due to the nature of the tour, hard hats and reflective vests will be needed. Long pants and closed-toe shoes/boots are recommended for the construction sites as well. If any member of the public or media will be attending, please note you will be able to follow the vehicles to each site. Project sites will include 20th Ave SE Microsurfacing, South Contract Street Improvements (SE neighborhood near John Hoeven Elementary, Storm District 121 Puppy Dog Coulee, 16th St SW Reconstruction, and 3rd St Bridge.
